COMMENTS FROM THE SALE MANAGER:

Welcome to the 76th Anniversary presentation of the annual New York State Angus Sale. This year we are pleased to be adding consignments from dedicated Hereford breeders throughout the area, giving us an opportunity to share thoughts and ideas on raising purebred cattle. We welcome all the Hereford consignors to this year's event.

Study the pedigrees, you will be pleased with the great offering of show and brood cow prospects and elite embryos. If you're looking for replacements, a new donor female bloodline or if your Juniors are looking for show prospects for the coming season, you can't afford to miss this sale. The 2011 National Junior Angus Show is being held in nearby Pennsylvania so there will be a lot of excitement regarding that event.

The genetics in both the Angus and Hereford consignments are among the best of the breeds, backed by leading performance sires who offer powerful maternal genetics, carcass influence and stem from leading cow families.

Join us on sale day, May 14 at Trowbridge Angus for a great day filled with valuable consignments. You'll be glad you did. If we can help in any way, don't hesitate to call the Hall of Fame or contact the consignors. They are always ready to help.

Sincerely,

Tom Burke

chosen to be one of the cows to build our herd around, as she has amazing pheno-
type--deep bodied, heavy boned, sound moving, and a picture perfect udder.
In addition, she has a stacked pedigree with Online 122L and double-bred to

NY JUNIOR ANGUS ASSOCIATION FUNDRAISERS
