We cordially welcome you on January 27, 2018 to Pinehurst Farm's 10th Spring Production Sale in Earlham, Iowa.

As you evaluate this offering, you will find quality cattle that will rival the most superior Angus in the industry.

Over the last 2 years our program has been restructured. Due to circumstances, we did not sell the 2016 spring bulls as yearlings. The decision was made to retain these bulls and sell them as two-year-olds in this 2018 spring sale. These bulls have been rigorously culled. They have not been pampered and not one has been sold. We are equally as excited about the fall 2016 and the spring 2017 yearling bulls.

For the first time, we are opening the gate to sell the absolute cream of 2017 spring heifer crop including ETs and naturals.

Last, but not least, we will sell 1/2 interest and full possession of the donor cow 8N03. As recently quoted by a highly respected cattleman, she is "one of the most powerful Angus females to graze grass." Take time to read about her in this sale book.

This sale offering is the representation of our objectives and goals to produce quality cattle for the industry and that each animal will be a profitable investment for the new owners.

The cattle are available for viewing at the farm anytime. Feel free to give us a call or stop by. The coffee is always on!

COMMENTS FROM THE SALE MANAGER:

THE BEST EVER FROM PINEHURST FARMS!

Plan now to be on hand Saturday, January 27, 2018 as Carl and Sara Tessmer and their family present this power-packed Angus offering by breed leading sires and fortified with some of the breed's most dominant cow families. An impressive array of females will sell, many of which are products of the embryo transfer program, along with the featured Lot 1 foundation Forever Lady donor. The bulls are strictly from the top end including many AI sired and embryo transfer bulls from spring yearlings to fall yearlings to coming 2-year-olds. They are big and stout and bred for performance, muscle and maternal. A set of Sim-X paternal sisters will also sell along with a group of commercial cow/calf pairs and bred cows. Truly there is something for everyone.

Please don't hesitate to call on us at the American Angus Hall of Fame if we can be of assistance with your selection decisions. We are here to serve.

Sincerely,

Tom Burke

SELLING ONE-HALF INTEREST WITH THE OPTION TO DOUBLE THE BID TO ACQUIRE FULL OWNERSHIP.

This massive and productive foundation donor from the Forever Lady family ranks among the all-time greatest daughters of the record-setting Genex Pathfinder Sire SAV Final Answer 0035.

This impressive donor balances a progeny birth ratio of 97 with progeny weaning and yearling ratios of 105 on two natural calves for an elite EPD balance coupled with her sterling pedigree.

Her impressive donor dam has produced 25 daughters in production who post a collective progeny weaning ratio of 103. The legendary maternal grandam of this cow is the famous All American Grand Champion Cow SVF Forever Lady 57D who ranks among the top income-producing cows in breed history. A flush sister to this cow has served as a successful foundation donor for Albrecht Angus of Oklahoma.

A son, Pinehurst Harvester 389, was the \$8,000 second top-selling bull of the 2014 Pinehurst Sale to the Genex AI Stud. Will sell with a calf at side (Lot 1A) by HA COWBOY UP 5405.
