

SEXTON GENETICS

FALL BULL & FEMALE SALE

OCTOBER 21, 2019

Monday at 12 noon (CDT)

Fort Gibson, OK | Three Forks Ranch Sale Headquarters

Mark Sexton

Fellow Cattlemen

I would like to welcome everyone to the Sexton Genetics Fall Bull and Female Sale. Please join us Monday, October 21st in Fort Gibson, Oklahoma. I am excited about the 91 eighteen-month-old and two-year-old bulls that have performance with eye appeal. Our genetic partners are also offering 29 lots of Angus females that are impressive. Plus, we have added 19 commercial Angus based females that are right for the times.

During my 16-year tenure at 3 Forks Angus, I developed a passion for selling high quality, useful bulls that match the unique requirements of each customer. I would like to say "Thank You" to Paul and Paula Moore, for allowing me to continue my passion here on this historic ranch in Fort Gibson with Sexton Genetics.

For the last several years we have relied on our genetic partners to keep pace with the overwhelming demand for bulls. All of the bulls are brought to us at the same time, fed and developed in the same environment as they have every year. Carcass information and weights are more meaningful with the larger contemporary groups. Just as we have in the past, we will offer you the same performance information on the bulls. We have not changed the way we feed or develop the bulls and will continue to offer you the best bull with performance and eye appeal that fit with your unique breeding program and goals.

While our program is evolving our mission will remain the same. Please stop in any time or give us a call to learn more about the bulls and females selling. As the times change our motto remains the same "Customer Service with Every Purchase."

Thank You,

Mark Sexton
Sexton Genetics

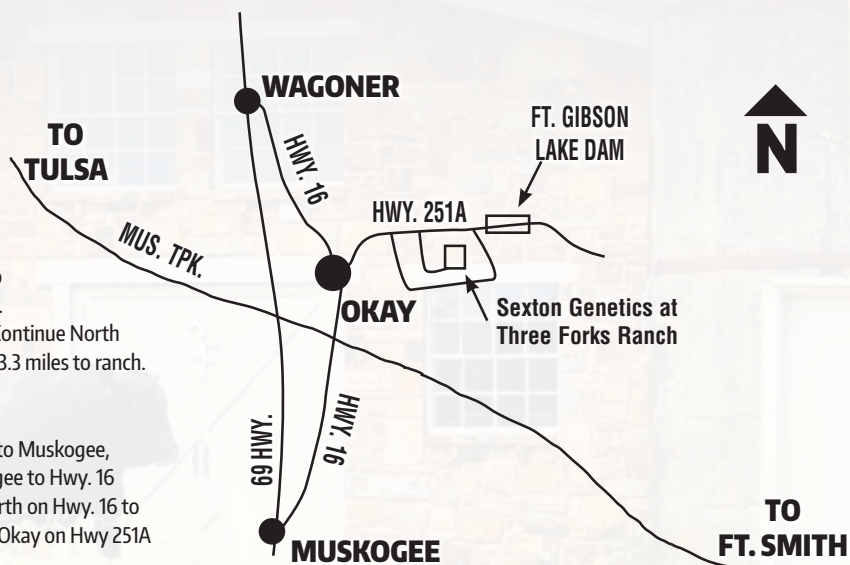

Directions to Three Forks Ranch sale headquarters

From Tulsa:

Take the Muskogee Turnpike to Muskogee, OK. Exit on Hwy. 62 West. Continue west to Hwy 16 North (also York Street). Go North on Hwy. 16 to Okay. Continue North through Okay on Hwy. 251A for 3.3 miles to ranch.

From Vinita:

From I-44, take Hwy. 69 South to Muskogee, then east on Hwy. 62 in Muskogee to Hwy. 16 North (also York Street). Go North on Hwy. 16 to Okay. Continue North through Okay on Hwy 251A for 3.3 miles to the ranch.

SEXTON GENETICS

FALL BULL & FEMALE SALE

Monday at 12 noon (CDT)

OCTOBER 21, 2019

6959 Hwy. 251A, Fort Gibson, Ok 74434

Air Transportation

Tulsa International Airport is only 45 minutes (40 miles) northwest of the ranch. Most major airlines service Tulsa.

Herd Health

All bulls have all vaccinations required to qualify for Boehringer Ingelheim Range Ready Program.

Delivery of Sale Cattle

Free delivery the first 300 miles on bull purchases \$10,000 or more. No individual bull will exceed a delivery cost of \$300 per individual.

Absentee Bids

If you are unable to attend the sale but would like to bid, please contact the owners, sale manager, or any member of the sale staff.

All bulls have been genomically enhanced, parent verified, passed a BSE exam and will have complete performance and ultrasound data.

ANGUS MEDIA Visit the Angus Journal Web site, www.angus.org, and view this sale book on-line. References: American Angus Association, AHIR, AngusSource, CAB, Pathfinder. EPDs current as of September 14, 2019. Updated EPDs can be viewed online at www.angus.org The American Angus Association does not generate nor endorse \$C numerical ranks (versus percentile rankings) until \$C numerical ranks are officially released.

Terms and Conditions

All bulls will sell under the suggested Terms & Conditions of the American Angus Association. Cattle will not be transported or ownership transferred until payment has been received.

Bull Guarantee

All bulls selling have passed a Breeding Soundness Exam and have been deemed Satisfactory Breeders by Dr. Pat Edmonds DVM. The bulls will not be guaranteed to freeze semen for the purposes of Artificial Insemination, Flushing or IVF.

If the bull is injured within the first breeding season (in case of bulls making them functionally infertile) we will provide you a satisfactory replacement after you bring the bull back in suitable condition or issue a credit of \$1,250 (salvage value) minus purchased price toward the purchase of any animal in a future Sexton Genetics Sale. This guarantee does not include death of a bull from natural causes or physical harm. There will be mortality insurance available at the clerks desk if you choose to insure your purchases. Breeding season is defined as the 90-day period following the first turn out date of the bulls. If you do not intend to use the bull(s) for some time after the purchase, we suggest an additional BSE by a licensed veterinarian to assure the highest conception rates possible. We suggest normal management practices in caring for your cattle.

Owned by Sweet T Land & Cattle.

- This powerful designed daughter sired by the now-deceased, ever-popular Weigh Up is something to analyze in person. Elite EPD profile with 8 individual EPDs ranking in the top 1% among parent females. True performance female with added style!
- A maternal sister sired by Black Granite commanded \$9,000 in the Western States Sale. The donor dam, 3167, is currently serving in the Deer Valley and Sweet T Land & Cattle programs. The #1 \$B female and \$C female in the offering!

P.E. from 11/27/18 to 2/15/19 to C&C Mc Guinness 2010.
