WANN RANCH

Eighth Annual Production Sale

46 Females – Fall and Spring Pairs, Bred Heifers and

Open Yearling Heifers

40 Ready to Turn Out Bulls

Join us for lunch prior to the sale at 11:30 a.m.

Sale Day Phones:

Roger Cell (940) 727-8492
Danny Wann Cell (918) 658-8471

Sale Staff:

Jerry Lehmann, Auctioneer (573) 999-4759
Matt Caldwell, American Angus Association (913) 755-1105
Chisolm Kinder, *OK Cowman* (405) 235-4391

Sale Consultants:

Parker Friedrich (254) 413-2420
William Walther (405) 612-7554

If you wish to make purchases but are unable to attend the sale, please contact the auctioneer or one of the sale staff to make purchase arrangements.

All cattle will sell in sale book lot order.

Directions to the sale site:

See map and directions on inside back cover.

Accommodations:

Days Inn, Poteau (918) 647-3510

Herd Health:

All cattle will be accompanied by proper health certificates for immediate shipment. All bulls will be fertility tested and will be considered sound breeders. See inside back cover for further information regarding breeding guarantee and health protocols.

Trucking:

Cattle may be loaded following the sale, but can remain at the sale site until trucking or pick up can be arranged. Truckers believed to be reliable will be available to assist you in shipping your purchases.

Terms & Conditions:

All cattle sell under the Terms and Conditions as recommended by the American Angus Association with these exceptions: All supplements to the sale or announcements from the block take precedence over what is written in the sale book. Wann Ranch retains 1/3 semen interest only, no possession, in all bulls selling. Buyer has 100% possession, use of service and salvage value.

Liability:

All persons attending the sale and related functions do so at their own risk. Wann Ranch, and the other sale consignees, along with the sale management and staff, assume no liability, legal or otherwise for any accidents or injuries that may occur.

Sale Settlement:

All cattle are to be settled for prior to load out unless prior arrangement has been made. Terms are cash.

Visit the *Angus Journal*® Web site, www.angusjournal.com, and view this sale book online.

References: American Angus Association®, AHIR®, Angus-Source®, CAB®, Pathfinder®.

EPDs current as of February 23, 2010. Updated EPDs can be viewed online at www.angus.org.

February 26, 2010

Dear Wann Ranch Customers and Friends,

It is difficult to believe 2010 is here. This year will bring our eighth annual spring production sale. As 2009 came to a close I was reminded that we purchased our first registered Angus cow in the fall of 1989 so our Angus business is now 20 years old. Breeding good cattle takes time. We will continue to be diligent in our efforts to bring good cattle to you.

I attended the recent NCBA convention in San Antonio, Texas. The highlight of the convention for me was the Cattle Fax market outlook seminar. In a nutshell, the supply side of our business is in quite good condition. Beef production is down by 2%. Our national cowherd continues to shrink. Exports continue to improve. Cattle Fax predicts a fairly mild summer with adequate moisture in most areas of the US. Our real challenge is beef demand. Since September of 2008 beef consumption has declined. The good news is that decline appears to have leveled off the last three months. With only a small increase in beef consumption, we will see that our supply can't meet demand and feeder calf prices will begin to increase. Cattle Fax predicts very good years for feeder calf prices in 2011, 2012 and 2013. Calves sired by the bulls you purchase this spring will be marketed in those years. Be sure you get a good one!

The American Angus Association has released their Pathfinder Cow Report for 2010. The Wann Ranch cow herd was awarded 11 Pathfinder certificates. To be a Pathfinder she must calve early as a two-year-old, breed back every year on time and raise a calf at least 5% heavier than the average of the herd for three years or more. This is a difficult level to achieve. You have the opportunity to share in two of those elite females in this sale. Lot 1 and Lot 2 are Pathfinder daughters of New Design 878. We are offering embryos and the opportunity to flush Lot 1 and embryos out of Lot 2. These are certainly "Real Cows that work in the Real World"!

We are selling some very productive young females out of this herd that took 20 years to build. Study them hard, they will go home and work for you.

We would also like to extend a special thank you to Cody Stacy. His attention to our day to day functions is essential to our success.

We look forward to seeing you at our family ranch on Friday, April 9, 2010. If Dad, Danny or I can be of any help to you, please give us a call.

Regards,
Roger Wann

Britney, Dawn, Roger, Jace, Nathan and Logan

Sabrina 116 may be the best overall cow to ever walk

the pastures at Wann Ranch. She has six weaning records at 106 and has achieved Pathfinder status. She also posts five yearling records at 104 and five REA records at 103.

We are offering five frozen embryos by SQ Credence. We guarantee two pregnancies if the embryos are placed by a certified embryologist.

We are also offering a flush out of the bull of the buyer's choice. We will pay for the flush expenses and provide the semen if it is a readily available bull. We will guarantee a minimum of six transferable embryos up to ten. If more than ten are produced they can be available at the prorated cost of the first six. We will guarantee three pregnancies.

This is an outstanding opportunity to work with a no miss cow. Sells open and ready to flush.

WR 878 Miss 436

is a very unique cow. She represents

three generations of Pathfinder females.

She posts progeny records of 3@116 for weaning and yearling as well as 3@113 for Marbling and 3@108 for REA. She gets it all done for us. We are offering a flush of Lot 2 with the same terms as listed with Lot 1.

We are offering five embryos by Ironstone and will guarantee 2 pregnancies. This is a unique mating and will provide a high degree of genetic merit for you.

Sells open and ready to flush.

Breeding Guarantee

As stated, all bulls in the sale have passed a semen fertility exam. Wann Ranch guarantees all bulls for six months from date of sale against infertility or breeding soundness problems. If a problem occurs, contact Wann Ranch as soon as possible and we will either replace the animal or give credit toward any future sale (minus the salvage value). Proper care and adequate nutrition needs to be provided, as these are young bulls and they must be taken care of to perform correctly. Wann Ranch will not replace or give credit if an animal dies or gets killed for any reason.

Fall Bull Calf Pairs

Riley Wilkerson
Deer Hunter Reserve Breed Champion

Riley Wilkerson of Valley View Texas purchased a heifer calf from us last year. She stood fourth in a large class at the Fort Worth Junior Show and was Reserve Breed Champ at the Cooke County Texas Youth Fair. Congratulations, Riley!

Warm Bulls

A note about bulls

With the high cost of feed and the abundant grass we had last summer, we fed these bulls less feed than we ever have before. Their actual yearling weights were lower than they have been in the past. We have brought them along well since that time and they look great now. We have seen bulls that were pushed hard for high yearling weights have semen production problems and feet and leg problems. We believe these bulls will hold up extremely well and stay sound for you. These bulls average +8 for Calving Ease Direct, top 20% of the breed, +.8 for Birth Weight EPD, top 25%, +50 for WW EPD, top 25%, +92 for YW EPD, top 25% and +42 for \$B, top 40% of the breed. Their genetic value is high.

Cows/Heifers pre-breeding

- Express 5 FP
- Reprostar VL5 HB
- Worm (Vetrimec pour on or Valbazen drench)

Cows Post-breeding pregnancy check

- Express 5 FP
- Reprostar L5 HB
- Caliber 7 blackleg for colostrum boosting
- Fusiguard
- Worm (Vetrimec pour on or Valbazen drench)
- Pregnancy test

Spring cows extra

- 1st calf heifers - scour bos 9, 6 weeks prior to calving
- 1st calf heifers and cows - scour bos 9, booster 3 to 4 weeks prior to calving

The Range Ready program was created as a tool to add value to livestock, both for producers such as you and for those who purchase herd replacement animals from you.

This value added program assists you in managing and reducing your risks and allows you to transfer this benefit to your customers. For qualifying animals the Range Ready program provides a limited health warranty that covers the cost of treatment and veterinary expenses in the event of a covered illness and a death loss benefit up to \$3,500. The Range Ready Program is available only to customers of Boehringer Ingelheim Vetmedica, Inc. and is provided free of charge.

FROM POTEAU, OK

Six miles south of Poteau on US Hwy. 59. Turn east on State Hwy. 83 and travel seven miles to Monroe. Turn north on Gilmore Rd. and travel three-fourths mile, sale on the left.

FROM HEAVENER, OK

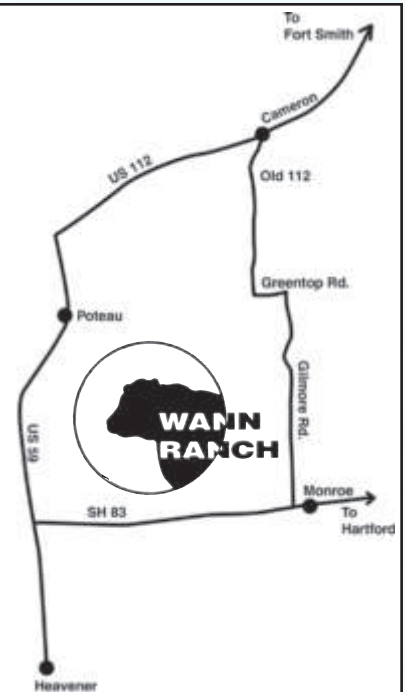

Seven miles north on US Hwy. 59. Turn east on State Hwy. 83 and travel seven miles to Monroe. Turn north on Gilmore Rd. and travel three-fourths mile, sale on the left.

FROM CAMERON, OK

From Hwy. 112 turn south at BoBo's Convenience Store and Restaurant onto old Hwy. 112. Travel five miles to Greentop Rd. and turn east. Travel nine-tenths of a mile to Gilmore Rd. and turn south. Travel five miles south and sale site is on the right.

FROM HARTFORD, AR

Depart Hartford on State Hwy. 96 and go west three miles to Oklahoma. Hwy. 96 changes to Hwy. 83 at state line. Continue three miles west to Monroe. Go north three-fourths mile on Gilmore Rd. to sale site on the left.
