With the purchase of two to four bulls, we will feed for \$1.50 per day/per head up until April 1, 2011. Note: Bulls left here for winter feeding will need to be insured. Ward Angus Ranch will pay one-half of the cost of the insurance.

**BULL GUARANTEE:**

Ward Angus Ranch guarantees the fertility status on all our bulls. All bulls have passed a breeding soundness examination including a semen evaluation. It is extremely important that our customers are satisfied with their investment. Although all bulls will have passed a breeding soundness examination, we realize that certain problems or injuries may arise after you receive your bull. To help ensure your investment, Ward Angus Ranch will guarantee all bulls selling for \$2,000 or more against breeding injury, and they be sound breeders for the first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bulls. This guarantee does not replace mortality insurance and does not cover death or loss due to natural occurrences, Acts of God or negligence. If a problem arises and a bull will not be able to return to service, contact us and we will provide a replacement bull, if available, or if the buyer prefers, credit (less the salvage value of the injured bull) will be given toward a future bull purchase. Please notify us as soon as possible should an injury or problem occur and prior to the injured bull being sold for salvage. Injuries should be diagnosed by a veterinarian. All claims must be made by September 1, 2011.

**LOT NUMBERS:**

Lot numbers on the bulls and females will correspond to the sale book.

**LUNCH:**

Complimentary lunch will be available sale day beginning at noon.

**INSPECTION OF CATTLE:**

Cattle will be available for inspection after March 18 at the sale site and available for inspection prior to March 18 at the respective ranches.

Tom Burke

Kurt Schaff

On behalf of the American Angus Hall of Fame, it is certainly a pleasure to work with Ward Angus Ranch on their annual production sale. This year marks one of the greatest offers ever in Ward Angus Ranch history. Tony and Chris have put their best foot forward along with Parker 7 Angus and Ellis Angus Ranch as they have an outstanding set of service-age bulls that are ready for heavy use including mature bulls that can withstand any kind of environment backed by breed-leading A.I. sires and the most prominent cow families. They also have gathered up an elite set of females to offer, so whether you are in need of a powerful donor, cow/calf pair, elite bred heifer or an open heifer prospect, please plan to be with us on the 19th of March in Willard, Utah.

If you have any questions, please feel free to contact the American Angus Hall of Fame at (816) 532-0811.

Sincerely,

Tom Burke

Dear Friends,

Welcome to the 2011 edition of the Ward Angus Ranch and Guests Production Sale. It is exciting to bring you another set of outstanding Angus cattle again this year. We have had great success with our existing customers and hope that if you are reading this for the first time we can have success with you as well. Our focus in our program is to blend a balanced set of EPDs along with an easy fleshing ability and of course maternal traits, blending all this so that the cattle purchased can make it in the real world.

The 2-year-old bulls this year are another extremely stout set. They will be moderate in frame and be able to transmit pounds to their calves. Our fall born bulls are equally as impressive as the older bulls and give you the chance to possibly use them for an extra breeding season. This sale's yearling bulls are truly exciting. Some of the bulls topped the scales all time at our ranch. The yearlings will be a tremendous investment in your program's future. All the bulls we feel are good enough to become the cornerstone in your breeding program, either as a commercial breeder or a top notch pure-bred cattleman.

Again, we will have some cow/calf pairs and/or bred cows taken out of the heart of our herd, these are not the bottom end. We offer cows as a tool to customers to take advantage of what we have built over the past 15 years.

Also again this year is our tremendous offering of our bred heifers, some of which should have a calf at side sale day. These are the culmination of many years of concentrated breeding, and are fit to become a valuable part of your program.

The open heifers are an amazing set of animals. They are a cross section of what we have been trying to accomplish in our breeding efforts over time. We feel that these heifers could go on and do some amazing things either as brood cows or even as a highlighted donor cow.

We hope that you will be able to attend and enjoy a great sale day. This is our best offering to date of Angus cattle and we feel that any investment made will be a great one.

Sincerely,

Tony and Chris Ward
