**Arkansas and Tennessee Juniors
Team Up for Fundraising**

Each year the Arkansas Juniors raffle a heifer to raise money for their junior program. Last year the winner of that heifer was Quintin Smith. He decided to donate the heifer back to the juniors and did so by auctioning the heifer at the Horn Springs Angus Sale in April. Bobby and Millie Denton of Maple Valley Farms from Cumberland Furnace, Tennessee purchased the heifer for \$3,700. The proceeds will be divided between the Arkansas Juniors and the Tennessee Juniors. Thanks to Quintin Smith and the Denton family for supporting the juniors!!
